

Support the Annual Fund

Since 1989, the Lexington Education Foundation's partnership with the Lexington Public Schools and our community has provided more than \$2.9 million in grants across all disciplines: enriching math skills, supporting the science curriculum, promoting 21st century technology, improving literacy, expanding social studies and world culture, providing professional development for teachers, elevating the arts, and enhancing social and physical wellbeing.

Thank you for your generosity!

To Contribute: Mail this form with your check or credit card information.

Support the Annual Fund:

\$ _____ Please do not print my name in LEF Publications
